

PRIVACY AND DATA PROTECTION POLICY

1. Collection, processing, and use of personal data on the web:

In accordance with the provisions of the General Data Protection Regulation 2016/679 (GDPR) and the Organic Law 3/2018, on Personal Data Protection and guarantee of digital rights (LOPDGDD), we inform you that to use some of the services offered by our website, it may be necessary for us to collect certain personal data from you, which will be incorporated into automated files.

In compliance with the new provisions of Regulation (EU) 2016/679 of the EP and of the Council of 27 April 2016 and Organic Law 3/2018, of 5 December, on Personal Data Protection and guarantee of digital rights, regarding the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC, we inform you that the data controller is:

To make any type of observation regarding possible breaches of intellectual or industrial property rights, as well as on any of the website content, you can do so by contacting the company through any of the means indicated above. The website content is intended to inform users about the services offered by the company as a result of the requests, management, or procedures that the user carries out through the web. The data to be processed will be those provided by you through the forms at any given time contained on the page or through the emails that the user sends to the identified email addresses on it, as well as those others that are generated during the maintenance of the corresponding relationship. All fields marked as mandatory on any of the forms must be filled out, so the omission of any of them may prevent us from attending to your request or providing the corresponding services. Additionally, during such data collection, your consent may be requested for a series of purposes that are not directly related to the service or corresponding relationship. If you disagree with such additional processing, check the box provided for that purpose as appropriate.

Information requesters: The personal data used in these cases come from the interested party, who provides them to Falk & Löbel by completing the contact form contained on the website, making a phone call, or sending an email. These data are used to resolve inquiries and provide information to those who demand or expressly authorize it, mainly via email. The person accessing this website (hereinafter, the user) assures that they are of the legal minimum age established by the General Data Protection Regulation 679/2016 (14 years) or by the national regulations applicable to them to grant consent concerning the Services of the Information Society.

By accessing this website, the user expressly accepts all the clauses of its legal information, this privacy policy, and its cookie policy, as well as all those particular conditions collected for the use of certain services. If the user does not accept any of the said clauses, they must refrain from accessing this website.

By accessing the Falk & Löbel accounts on social networks, the user accepts the processing of their personal data by them according to their privacy policies: Social network privacy policy.

2. Purpose of the processing of personal data:

2.1. For what purpose will we process your personal data?

At Falk & Löbel, we will process your personal data, collected through the website, for the following purposes:

- Sending information requested through the contact forms provided on the website for the purpose of requesting any type of consultation related to the products or services provided by the company.
- Analyzing the user's profile with the aim of optimizing, measuring, and personalizing the use of the website.
- Collection of data and curricula vitae from people interested in participating in the personnel selection processes for hiring employees in the company.
- Sending newsletters, as well as commercial communications of promotions and/or advertising of the website.

Additionally, we remind you that you can oppose the sending of commercial communications by any means and at any time by contacting Falk & Löbel.

The fields of these records are mandatory to fill, and it is impossible to carry out the expressed purposes if these data are not provided.

2.2. How long will the collected personal data be kept?

The personal data provided will be kept as long as your communication is managed and/or its deletion is not requested and for the minimum time necessary to comply with legal obligations or potential legal liabilities arising from the services provided.

3. Legitimation:

The processing of your data is carried out with the following legal bases that legitimize it:

The free, specific, informed, and unequivocal consent, as we inform you by making this privacy policy available to you, which, after reading it, if you agree, you can accept by means of a statement or a clear affirmative action, such as the ticking of a box provided for that purpose.

If you do not provide us with your data or do so erroneously or incompletely, we will not be able to attend to your request, making it entirely impossible to provide you with the requested information or carry out the contracting of services.

4. Guarantee:

The user guarantees that the data provided are true, accurate, complete, and up-to-date, being responsible for any direct or indirect damage or loss that may be caused as a result of the breach of such obligation. If the data provided belong to a third party, the user guarantees that they have informed said third party and obtained their authorization to provide their personal data to Falk & Löbel.

5. Data conservation:

Your data will be kept as long as the contractual relationship is maintained or for the years necessary to comply with legal obligations, as long as you do not request its termination, or for the time necessary for the realization of the purposes necessary for the collected.

6. Recipients:

Your data will be kept under strict security measures that guarantee the confidentiality and security of the same. Likewise, they will only be transferred to the entities and for the following purposes:

- Entities and suppliers that provide services to Falk & Löbel for the proper performance of these services. Such entities and suppliers are duly accredited and sign with us the corresponding data processing contract in compliance with the current data protection regulations.
- Official bodies and entities in compliance with the regulations and laws in force.
- Data will not be communicated to any third party outside of Falk & Löbel, other than the cases previously described, except by legal obligation or prior authorization.

7. Rights:

As an interested party who has provided us with your personal data, you have the full right to obtain confirmation on whether Falk & Löbel is processing your personal data, and specifically, you are entitled to exercise the following rights that the data protection regulations recognize you, in accordance with the provisions of the same:

- The right of ACCESS to your personal data.
- Rights to request the RECTIFICATION of inaccurate data.
- The right to request its DELETION when, among other reasons, the data is no longer necessary for the purposes for which it was collected.
- In certain circumstances, you may request the LIMITATION OF PROCESSING of your data, in which case we will only keep it for the exercise or defense of claims.
- In certain circumstances and for reasons related to your particular situation, interested parties may exercise their right to OPPOSE the processing of their data. We will stop processing the data, except for compelling legitimate reasons, or the exercise or defense of possible claims.
- In certain circumstances and for reasons related to your particular situation, you may request your right to the PORTABILITY of the data.

- You may exercise such rights or request additional information by presenting a copy of an identification document and briefly stating your case and the right you wish to exercise, by letter addressed to Falk & Löbel at the main address located at C/Tuset, 23-25, 7º 7ª, 08006 Barcelona. Email: info@falkloebel.com.

Furthermore, if any of your rights have been violated, the interested party has the right to file a complaint with the Spanish Data Protection Agency (AEPD), at C/ Jorge Juan, 6, 28001-Madrid, or through the AEPD's electronic headquarters: <https://sedeagpd.gob.es/sede-electronica-web/>.

8. Duration and modification of the Privacy Policy:

Falk & Löbel reserves the right to modify, totally or partially, this Privacy Policy, publishing the changes on the website. Likewise, it may make without prior notice the modifications it deems appropriate, being able to change, delete, or add both the contents and services it provides, as well as the way in which they are presented or located. Consequently, the general conditions/Policies that are published at the time the user accesses will be considered in force, and the user should read them periodically.

Regardless of the provisions, Falk & Löbel may terminate, suspend or interrupt at any time without prior notice access to the website contents, without the possibility for the user to demand any compensation.

COOKIE POLICY

This website, like most websites on the Internet, uses cookies to enhance and optimize the user experience. Below you will find detailed information about what cookies are, the types used on this website, how you can disable them in your browser, and how to specifically block third-party cookie installations.

WHAT ARE COOKIES AND HOW DOES LGM LEGAL PARTNER, S.L.P. USE THEM?

Cookies are files that the website or application installs in your browser or device (smartphone, tablet, smart TV, etc.) while browsing its pages or using the application. They store information about your visit. Like most websites, LGM LEGAL PARTNER, S.L.P. uses cookies to:

- Ensure the website works properly
- Save your preferences, such as selected language or font size
- Understand your browsing experience
- Collect anonymous statistical information, such as which pages were visited or how long users stayed

The use of cookies allows us to optimize your navigation by tailoring information and services to your interests, to provide a better experience each time you visit us. The website uses cookies to function properly and to adapt and facilitate user navigation.

Cookies are associated only with an anonymous user and their device, and do not provide references that allow access to personal data. You can always adjust your browser settings to modify and/or block the cookies sent from this website, without affecting access to the content. However, service functionality may be affected.

WHY ARE COOKIES IMPORTANT?

- They allow the website to function more efficiently and according to user preferences (e.g. remembering language or currency, or detecting the access device)
- They help establish protection and security levels that prevent or hinder cyberattacks
- They allow site administrators to gather statistical data to improve the quality and experience of services
- They help optimize advertising shown to users, displaying the most relevant ads

WHAT TYPES OF COOKIES DOES LGM LEGAL PARTNER, S.L.P. USE?

- Analytical cookies: Used for maintenance and service improvement, these gather anonymous statistical information about user activity. No link is established between browsing patterns and individual users. You may opt out via the opt-out systems offered by providers such as Google Analytics.
- Internal-use cookies: Used for session management, particularly between logins to private or user-managed areas. Disabling them may block some functionalities and is not recommended.
- Cookies from social media plugins: The site may use social plugins (e.g., Facebook) so users can share content of interest. Related cookies are listed at the end of this document.
- Cookies from third-party content tools: The site may use tools like Google Maps to display content. These may install their own cookies, which cannot be accessed by this website.
- Third-party cookies for ad personalization: The site may use ad servers and related cookies to create user profiles based on preferences and behavior. These will only be set if the user accepts the cookie policy upon accessing the site.

LIST AND DESCRIPTION OF COOKIES. LEVELS OF INTRUSION:

Cookies are categorized based on an “intrusion level” scale from 1 to 3:

- Level 1: Essential internal cookies needed for the proper functioning of the website and third-party cookies required for displaying external content
- Level 2: Anonymous, internal-use analytical cookies, used solely for content maintenance and navigation
- Level 3: Third-party cookies that track users across websites or services

HOW CAN I DEACTIVATE OR DELETE THESE COOKIES?
